

BaseReader

```
classDiagram
    class BaseReader
    class GenReader["src.custom_io.Gen_Reader"]
    GenReader --|> BaseReader
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'BaseReader'. Below it is a box labeled 'src.custom\_io.Gen\_Reader'. A blue arrow points from the 'src.custom\_io.Gen\_Reader' box up to the 'BaseReader' box, indicating that 'src.custom\_io.Gen\_Reader' inherits from 'BaseReader'.

src.custom\_io.Gen\_Reader
