

src.optimizer.Optimizer.
TruncatedNewton

```
graph LR; A["src.optimizer.Optimizer.  
TruncatedNewton"] --> B["src.optimizer.Optimizer.  
ScipyOptimizer"]
```

A diagram showing a relationship between two classes. On the left, a gray rectangular box contains the text "src.optimizer.Optimizer.TruncatedNewton". A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "src.optimizer.Optimizer.ScipyOptimizer". Both boxes have a thin black border.
