```

The diagram illustrates a directed graph with three nodes. A single source node on the left, labeled 'src.forcefield.FF.list_map', has a light gray background and a black border. Two arrows originate from its right side, pointing to two separate target nodes on the right. The top target node is labeled 'src.nifty.warn_press_key' and the bottom target node is labeled 'src.nifty.natural_sort'. Both target nodes have white backgrounds and black borders. The arrows are blue with black outlines.
