

src.optimizer.Optimizer.
Scipy_BFGS

```
graph LR; A["src.optimizer.Optimizer.Scipy_BFGS"] --> B["src.optimizer.Optimizer.ScipyOptimizer"]
```

A diagram showing a mapping from a source module to a target module. On the left, a gray rectangular box contains the text "src.optimizer.Optimizer.Scipy_BFGS". A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "src.optimizer.Optimizer.ScipyOptimizer". Both boxes have a thin black border.
