

StreamHandler

```
classDiagram
    class StreamHandler
    class RawStreamHandler["src.nifty.RawStreamHandler"]
    RawStreamHandler --|> StreamHandler
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'StreamHandler'. Below it is a box labeled 'src.nifty.RawStreamHandler'. A blue arrow points from the 'src.nifty.RawStreamHandler' box up to the 'StreamHandler' box, indicating that 'src.nifty.RawStreamHandler' inherits from 'StreamHandler'.

src.nifty.RawStreamHandler
