

Liquid

```
classDiagram
    class Liquid
    class src_tinkerio_Liquid_TINKER["src.tinkerio.Liquid_TINKER"]
    src_tinkerio_Liquid_TINKER --|> Liquid
```

The diagram illustrates a class inheritance relationship. At the bottom is a gray-shaded box labeled 'src.tinkerio.Liquid\_TINKER'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'Liquid'. This indicates that 'src.tinkerio.Liquid\_TINKER' inherits from 'Liquid'.

src.tinkerio.Liquid
